

Lucas Moore

Lucas Moore is in his second year of fighting bulls in the PRCA. He is now fighting bulls in the same arenas where his father, David picked up broncs and his mother Deb, ran barrels. Lucas balances a career fighting bulls with being a full-time college student at Iowa State University. There he is studying history while training as an Army ROTC cadet, and in his spare time, coaches elementary boys' basketball at a local church league. Lucas' bullfighting career began at 5 years of age when 3rd generation Barnes, Westin, dressed him up as a clown and took him into the arena for the mutton bustin'. Fifteen years later Lucas is rodeoing right alongside the same people he was when his career began.
